## OUR WISH LISTS

Because our families' fundamental needs are so great, the collection of everyday, but necessary, items helps us all year. Enabling us to direct our limited resources to their care and support, these gifts ensure we can continue to shelter, feed, educate, counsel, and promote the healing and independence of the women and children who walk through our doors.

If you are unable to get to the store to purchase a specific item listed below – and prefer not to give a financial donation toward our \$4.7 million annual budget required to run our four programs – **gift certificates** or **gift checks** enable us to purchase these essential items for our women and children.

On behalf our women and children, I thank you for however you choose to make a difference in their lives.
