

Toys? Pajamas? Books? Clothes? You can help our families with so much more!

We are very blessed at this time of year, especially, and the typical holiday items are already generously being collected for our women and children. What we really could use your help with is the collection of everyday items that allows us to put them in the hands of the families who need them today...and throughout the year.

The items listed below are essential living items that will make a significant impact in our families' everyday lives:

- Diapers, size 5 & 6 (we have none)
- Pull-Ups or Easy-Ups training pants (4T-5T)
- Stroller rain covers
- Toiletries for teenagers
- Conditioners (we have none)
- Deodorants & Antiperspirants
- Body Wash or soap bars
- Children's toothpaste and toothbrushes (we are all out)
- Medicine: Baby or Infant Tylenol, Advil, Saline Spray, Neosporin
- Gift Cards: \$25 Value (preferably Target & Shop Rite)
- Folding Shopping Carts
- Socks (NOT HOLIDAY) Women & Children ages (8-18)
- Cleaning supplies: dish soap, sponges, toilet bowl cleaner, wipes, etc.

About York Street Project

Founded in 1989, York Street Project clearly recognizes and understands that a woman's life and family hangs in the balance if she has no home, no education, and no childcare – and that these issues cannot be viewed in isolation. Our holistic approach to addressing the needs of nearly 500 homeless and low-income women and children each year makes YSP uniquely suited to breaking the cycle of poverty through a one-stop network of housing, an alternative high school education, job- and life skills training, counseling, and child care.

As you can imagine, one stop caring is costly (\$4.7 million annually), so if shopping is not possible during this busy time of year, a financial donation \$50 will ensure a mom has a safe and warm place to sleep, nutritious meals, and caring support for at least one day. *Join our H.O.P.E. Builders with a monthly donation to make this happen year round.*
